To: Individuals Participating in the IWU Health Plan

From: IWU Human Resources

This notice is provided to you as required by the **Women's Health and Cancer Rights Act of 1998**.

Illinois Wesleyan University's health insurance plans provide benefits for mastectomy-related services including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymph edema).

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the plan. Therefore, deductibles and coinsurance apply per applicable medical plan provisions. Call the Human Resource Office at 556-3536 for more information.
