

City Colleges of Chicago to Bachelor of Science in Nursing at Illinois Wesleyan University/4 year plan

This is a suggested course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Admission to the Nursing major is limited and completion of this plan does not guarantee admission to the School of Nursing. Additional information can be found on the website: <https://www.iwu.edu/nursing-health-sciences/transfer-requirements.html>

If space allows, accepted transfer students who completed the articulation plan would begin the nursing sequence in semester three. Contact IWUadmit@iwu.edu to inquire about the application process for Nursing majors.

Admission into the Illinois Wesleyan Nursing Program is limited. Students must apply to Nursing as part of their application process to IWU. Our application is free of charge. It is recommended that students have a 3.0 or better. No classes will be accepted for transfer if they are graded C- or below.

Additional information can be found on the website: <https://www.iwu.edu/nursing-health-sciences/transfer-requirements.html>

- AP scores of 3, 4 and 5 will receive 1 unit of credit. Higher level IB scores of 4 or higher will receive 1 unit of credit.
- Remedial math courses may be needed to prepare for the math requirement. However, remedial courses will not transfer to IWU. Adjust schedule and hour requirements accordingly to complete degree.
- Students are required, at minimum, to complete 16 units of coursework at IWU including half of all major requirements.
- IWU Graduation requirements: 32 total courses and 32 total units with 9 courses and 9 units of upper level courses. (1 IWU unit = 4 semester hours)
