<p>Drop Certificate</p>	<p>Certificate: _____ <i>(Only requires student signature)</i></p>	

Student Signature _____ Date _____

Double Major vs. Double Degree

Double Majors are possible only when both majors lead to a BA or BS. Combining a BFA, BM, BME or BSN major with a BA/BS major requires a **double degree**, which entails earning 9 course units beyond the highest number required for either degree. The University does **NOT** award two degrees from the College of Liberal Arts.

Double Degree Students ONLY: Sign below confirming you understand the additional requirements.

Student Signature _____ Date _____
