

Harper College to Bachelor of Science in Nursing at Illinois Wesleyan University

This is a suggested course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Admission to the Nursing major is limited and completion of this plan does not guarantee admission to the School of Nursing. If space allows, accepted transfer students who completed the articulation plan would begin the nursing sequence in semester 3. Contact IWUadmit@iwu.edu to inquire about the application process for Nursing majors.
