	Total Units		4	4	

Note: The Fall and Spring semester in the third year need at least 4 units of credit. If 110, 112, or 114 are selected for .5 units. If 114 is selected for 1 unit, 3 additional units should be added to the semester.

- Select either THEA 105Y and/or THEA 106Y each semester for a total of 7 enrollments
- When selecting upper level electives in or outside the major, students interested in performance are encouraged to take upper level performance classes. Students interested in design are encouraged to take upper level design classes.
- At Heartland, choose a (G) Global Diversity and a (U) US Diversity course from recommended list to meet IWU graduation requirements.
- AP scores with 4 of higher, or higher level IB scores of 5 or higher, can be used to meet general education requirements at IWU, but not major or minor requirements.
- Remedial math courses may be needed to prepare for the math requirement. However, remedial courses will not transfer to IWU. Adjust schedule and hour requirements accordingly to complete degree.
- Completion of any 201 language course would complete the 2nd language requirement.
- Students should complete a minimum of 64 semester hours, not including remedial or equivalent PE courses, at Heartland to be on track to complete their bachelor's degree in a total of four years.
- Students are required, at minimum, to complete 16 units of coursework at IWU including half of all major requirements.
- Graduation requirements: 32 total courses and 32 total units with 9 courses and 9 units of upper level courses, and 18 courses and 18 units outside the major. (1 IWU unit = 4 semester hours)
